VAT number: 4780296192

Conditions of Sale

1. Delivery/Collection can only take place 48 hours after payment is received during normal working hours. Prices quoted are ex works Brits, excluding transport, installation and first fill of diesel. Transport must be taken for all generators over 600kVA Prime.
2. If transport is quoted, the rate excludes goods in transit insurance and it is the purchaser's responsibility to arrange insurance.
3. All power ratings are quoted at maximum engine output for 1 hour in every 12 hours at sea level, power derating will be applicable at altitude and for site specific conditions.
4. Generator sets should run continuously at a maximum of 80% power derated load, the minimum load on the set should be 50% to avoid damage to the engine/injectors.
5. The warranty on the generator is earlier of 1 year/1,000 hours on defective parts only. (labour and travel are excluded).
6. Payments for parts and generators are non-refundable.
7. No warranty is applicable on the sale of spare parts, electrical components or service work.
8. Enzone (Pty) Ltd is not liable for any consequential damage or obligation derived from the use of the products provided.
9. All goods offered for sale are subject to Enzone (Pty) Ltd Standard Terms & Conditions which are available on request.
10. All generators and parts are sold subject to reservation of ownership and shall remain the property of Enzone (Pty) Ltd until they are paid in full.
11. Enzone (Pty) Ltd reserves the right to make changes in model, technical specifications, colour, equipment and accessories without prior notice.
12. Enzone (Pty) Ltd may distribute promotional material using your contact details, if you do not wish to receive this, please un-subscribe.
